Dear Peter,

I'm glad to know that you're interested in the mascot design for our school's Sports Festival.

The design is expected to be creative. It should show the sportsmanship and our school culture. Colourful and attractive designs are highly preferred. You can create your design in different ways. Both hand drawing and computer drawing are acceptable.

You need to submit your design by next Friday, June 15th. Just email it to mascotdesign@school.com. Please make sure you include your full name and class in the email.

Good luck with your design!

Yours,

Li Hua

题目②

Sometimes it is necessary to take a step back in a certain situation. Last week, we had a group project, but the other members and I had different ideas on it. Soon our discussion turned into a heated argument. I tried to cool myself down and listened patiently to them. I realized there were some good points in their ideas, and suggested that we put our best thoughts together to make our plan. All of them agreed. In the end, we completed the project successfully.

Taking a step back not only gives us time to calm down and think carefully, but also helps us solve problems effectively.
