

Water Bath

Model: XWP-A

Features

- ▶ LCD water bath adopts Teflon spraying process, which has good hydrophobicity and easy to clean surface
- ▶ Black water bath with built-in LED backlight provides good contrast and visibility to aid in identifying wax bands and assessing section quality
- ▶ LCD touch screen provides an intuitive, easy-to-use Chinese graphical operating interface for the water bath and slide dryer.
- ▶ The temperature control effect is close to constant temperature, providing excellent operating experience
- ▶ Plastic integral molding process and all outer corners are rounded, which not only reduces the weight of the product but also provides the greatest protection for the operator.

Detailed Introduction

Name	Slide Dryer
Temperature control accuracy	$\pm 0.1^{\circ}\text{C}$
Heating temperature	$\leq 50^{\circ}\text{C}$
Size	303x360x80mm(Widthx Depth x Height)
Water bath tray dimensions	230x180x52mm(Widthx Depth x Height)
Net weight	2.1kg(Without packaging)
Rated voltage	220-240 VAC +10%
Interior LED lighting	Yes

Slide Dryer

Model: XWT-A

Features

- ▶ The LCD touch screen provides an intuitive, easy-to-use Chinese graphical operating interface for the water bath and slide dryer.
- ▶ Excellent temperature control effect, safe operation experience.
- ▶ Plastic integral molding process, all outer corners are rounded, which not only reduces the weight of the product, but also reflects the greatest protection for operators.
- ▶ The drying rack is wrapped in a plastic shell. The excellent heat insulation effect of plastic greatly avoids burns to operators.
- ▶ 50° angled drying rack for easy placement and removal of slides.
- ▶ Capacity is 72 slides, which improves efficiency.

Detailed Introduction

Name	Slide Dryer
Temperature control accuracy	$\pm 0.2^{\circ}\text{C}$
Heating temperature	$\leq 75^{\circ}\text{C}$
Size	303X360X80mm(Width x Depth x Height)
Net weight	2.65kg(Without packaging)
Rated voltage	220-240 VAC +10%
