

The 10th International Test Conference in Asia

With the test technology facing its grand challenges to ensure the quality of ICs and electronic systems incorporating more and more sophisticated manufacturing processes and system integration technologies in various emerging applications such as Internet of Things, cloud computing, automotive electronics, etc., global proliferation and cooperation is increasingly more important. International Test Conference has been a flagship conference in test technology since 1970. With an attempt to stimulate more discussion and interaction between the academia and the industry around the globe, the 1st ITC-Asia was initiated in Taipei in 2017, and the 10th ITC-Asia will be held in Ningbo China in 2026.

Date: August 19-21, 2026

Venue: Ningbo International Conference Center

Address: No.1, 101, and 201 Huibo Road, Dongqian Lake Town, Yinzhou District, Ningbo, Zhejiang Province
