LUXURY IS NOT SUPERFICIAL,
IT'S HIDDEN IN THE DETAILS OF ELABORATE DESIGN.

MULTIPLE MATERIAL

Innovative materials & techniques brings great texture and taste

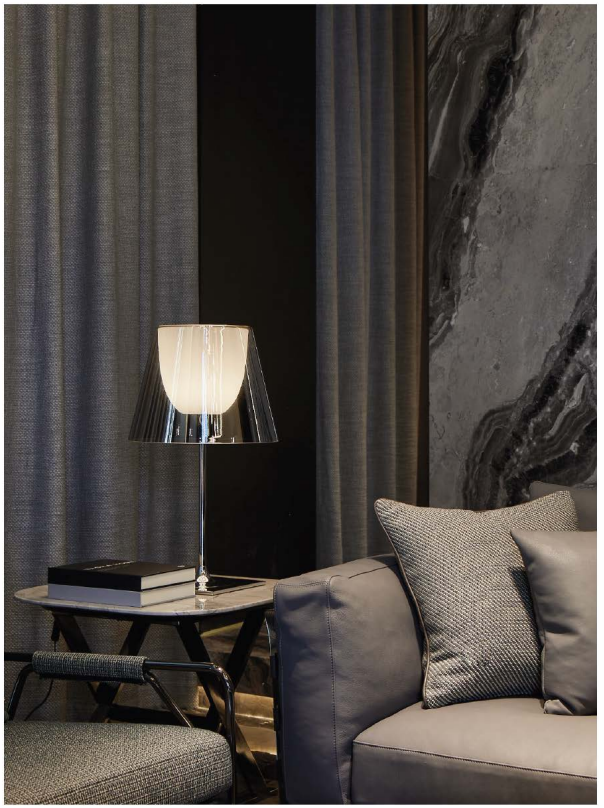

Rich cotton and linen texture, exquisite high-gloss paint, original dark wood veneer, metal and leather in the details, forming another textured living space with a sense of life.

METAL AND LEATHER
PERFECTLY COMBINED

FASHION WEAVING ELEMENTS

It features a unique metal base with leather and exposes woven leather details.
The sofa has soft and smooth lines that create an elegant silhouette..

about fashion and taste

Fashion is an attitude towards life, calm after exercise, and maintaining inner calm after getting fashion

DETAILS

Perfection in Details

Through manual plasticity and palpation, the lines and geometry are close to and highlighted, minimizing the sense of bloat.
